## Treasure Seekers News

**March 26, 2009**

As March came in like a lion, let's hope it goes out like a lamb!

We have some exciting new additions in the shop, and a series of equally exciting classes on our April class calendar.

## Spellbinders

First up is **Spellbinders** dies and the wonderful Wizard made especially for them!

The Wizard will cut and emboss your Spellbinders dies, and accepts thin dies from other manufacturers.

A few pumps on the handle and just like magic, your design is ready.

We are excited to offer a special, introductory package: purchase any 3 Spellbinders packages, the Wizard die cutter with 12 sheets of Core'dinations paper, and receive the Wizard Tote, FREE!

The case makes it easy to store and carry your Wizard, wherever your die cutting takes you. A \$90.00 value! In-store quantities only, while supplies last.

## Core'dinations Papers

Core'dinations Papers are quickly becoming a customer favourite.

With a core colour different than the outside layers, Core'dinations is meant to be torn, sanded, distressed, inked and of course, embossed with Spellbinders dies!

The beauty of this paper shows at its best when altered. We are proud to bring you all the colours of **Black Magic**, **Chocolate Box** and the newest surfaces, **Vintage** and **Whitewash**.

With 20 different colours in each collection, that's a total of 80 new papers! Come in today to see how Core'dinations gives a fresh, new look to pages and cards.

## Copic Markers

## My Pages Talk

Spring is a great time to send warm wishes to loved ones near and far.

Tuck something special into that beautiful card you're giving. Nothing says love like the sound of your own voice, or that of a child, a new baby, a birthday song, Happy Mother's Day wishes, words of comfort, thank you, and all other messages.

Record and send those wishes in 30 seconds or less, with **My Pages Talk**.

We've added this little recorder to a match book using Little Yellow Bicycle Animal Safari papers for babies. Come in and see how to make a keepsake that will always be cherished, no matter what the occasion.

Take advantage of our introductory special. With the purchase of every My Pages Talk recorder, receive an Animal Safari Matchbook Album or paper of equivalent value, FREE! Only until April 15th, so hurry in!
